

Mitch White Workshops at Swamp Dog Farm—May 11 to 16, 2019

Gamekeepers Retrievers workshops are considered to be among the best of their kind. Mitch White is one of those rare dog trainers who is just as good with people as he is with the dogs he trains. Below you will find a short description of the workshops being offered at Swamp Dog Farm and they are particularly popular because we can customize these workshops to the group of dogs attending.

Sat May 11th; Training Day with Mitch - *\$50 Working Spot (*included with Transition or Advanced Working Spot purchase) **(Limited to 32 dogs)**
- \$25 Audit (Unlimited)

Suitable for all levels. Prerequisites to run your dog in the training set up are reliable hold, retrieve & recall on bumpers & birds. This is a unique opportunity to run your dog in a training set up with Mitch on the line! Followed by a sit down discussion on training principles, solid foundation, how to read your dog, problem solve and how to achieve your goals. This is what training is all about, getting together with other retriever enthusiasts and watching, learning from others. The limit is set at 32 but we will run more dogs if time allows from a waiting list up until 2:30pm. Discussion from 3pm - 5:00pm
